

MIKE GELLMAN

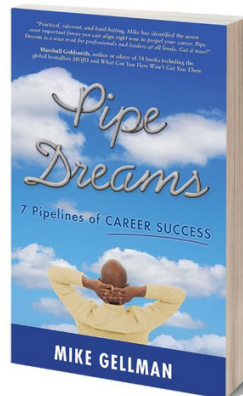

Respected Career Coach & Organizational Consultant, Mike Gellman, will show your audience blind spots standing in the way of their career advancement and company success!

Mike Gellman spent 11 years in a Fortune 500 company as an organizational consultant and career coach - overseeing talent management and succession planning. Mike facilitated teambuilding, conflict resolution, process improvement and change management. Since that time, Mike has successfully been working with executives, business owners and employees to help facilitate numerous succession planning programs, high potential leader development, and employee engagement and organizational change efforts.

Mike has a Master's degree in Industrial/Organizational Psychology from Springfield College and is a professionally Certified Coach through the International Coach Federation. Mike's book, *Pipe Dreams: 7 Pipelines of Career Success* is available on Amazon.com.

Producers: Mike Gellman is an experienced, knowledgeable and engaging guest.

Availability: Irvine, CA or nationwide by arrangement.
